**Assembly:**

Flatten one side of the Styrofoam egg by gently pressing against tabletop or hard surface. Just enough to flatten one side. Mark that side as the bottom.

Wrap the Styrofoam egg in the plastic wrap being sure that no Styrofoam is exposed.

Mix the stiffening agent as directed. (I used good old Elmer's glue mixed in a 2:1 ratio > 2 parts glue to 1 part water, stir until thinned.)

Dip the bottom portion of egg into the mixture, dab with paper towel to absorb excess mixture.

With Rust resistant T pins, fit egg bottom snugly onto Styrofoam

plastic wrap covered egg, pin into place, lightly stretching to have the edges of piece going about middle of egg. Allow piece to dry. (ET of drying, refer to drying agent instructions. For the glue mix, about 3 hrs but best if longer or overnight. The old hair dryer can speed things up!)

Remove T pins from piece but keep the piece on the egg form. With small amount of plastic wrap, wrap the top edges of the egg piece. (It should stay in place by clinging to the other wrap.) Dip other piece into stiffener, blot for excess, pin over the bottom piece making sure that the last row of top piece overlaps the top row of the bottom piece. Allow to dry overnight.

Now for the fun part, with trusty glue gun in hand, embellish top half of egg as desired.

## Friendly Bunny Basket

By: Shehnaaz Afzar of [Crochet Dreamz](#)

### Materials

- Worsted weight yarn in 3 colors. You need only a small amount of yarn for the ears and the flower
- Hook- H (5mm) or the hook needed to attain gauge
- Yarn needle (Blunt sewing needle with big eye) and matching thread.

### Size

Fit for a kid. This basket is compact and I think that is what is helping it hold its shape even if worked using a single strand of yarn.

Dimensions of the finished bag: 5 inches in diameter at the bottom, 3 inches in diameter at the top and 4 inches in height.

### Gauge

Using Hook H and working in hdc, 8 rounds measured 5 inches in diameter as shown in the picture.

### Stitch Abbreviations

Pattern is in standard American terms.

**sc**- single crochet  
**sl st**- slip stitch  
**hdc**- half double crochet  
**dc** -double crochet  
**tr**- triple crochet  
**ch**- chain

### Stitch Explanation

**1. Triple crochet ( tr):** Yarn over twice, insert hook into the next

stitch and pull up a loop, (Yarn over and pull through 2 loops at a time) 3 times to complete the triple crochet stitch.

**3. Sc2tog:** Insert hook into the 1st stitch and pull up a loop, insert hook into next st and pull up a loop to get 3 loops on the hook, yarn over and pull through all the 3 loops on the hook.

**4. Sc3tog :** To sc in all the 3 stitches, insert the hook into same st as ch 1 and pull up a loop, insert hook into the 2<sup>nd</sup> st and pull up a loop, insert hook into the 3<sup>rd</sup> st and pull up a loop, yarn over and pull through all the loops on the hook

You can add a slip stitch round if you want before fastening off.

## Bunny Ears

1. Work bunny ears as indicated by the arrow
2. Floppy Ears

3. Pinch the base of the ear and sew it to make the ears stand up

## Bunny Ears Pattern

**Note:** The bunny ears are worked directly onto the basket.

Turn the basket front toward you, leaving the fasten off line at the back.

### Left Ear

**Row 1:** Count 5 stitches in the middle and sl st to the next st (as shown by the arrow in the picture), Ch1, 1 sc in the same st, 1 sc in next 4 stitches; Turn.-----5 sc not counting ch 1

**Row 2 to 12 :** ch 1, 1 sc in same st as ch 1, 1 sc in next 4 st; Turn.----- --5 sc

**Row 13 :** Ch 1, sc2tog, 1 sc in middle st, sc 2tog; Turn. -----3 st

**Row 14 :** Ch 1, sc3tog ( see stitch explanation) and fasten off.

### Right ear

Work just like the left ear starting from point as shown in pic. You will have 5 free stitches between the 2 bunny ears.

## **Finishing the Ear**

Weave in the tails. Your bunny ears will now be floppy. Pinch the base of the bunny ears and sew as shown in the picture to make them stand up.

## **Facial Features**

1. Sew the outline of a triangle and fill it up for nose
2. Eyes made with ch 3

3. Pull the tails into the basket and knot it inside
4. Sew it down in place

## **Facial Features**

Using pink yarn and a yarn needle sew the outline of a triangle and fill it in for the nose . Add two curved line with a back stitch for the mouth. For the eyes use 2 tiny black buttons. I didn't have buttons, so I chained 3 and sl stitched to the 1<sup>st</sup> chain, pulled the 2 tails into the basket, knotted the 2 tails inside the basket and clipped it, then stitched the eyes down using black thread.

## Handle

1. Handle made flat
2. Sl stitch the sides together to form a rod

3. Completed handle with flat ends
4. Sew the bunny ears onto the handle sewing down

### Handle Pattern

Leaving a long tail, chain as long as you want the handle and add another 8 chains to sew in later. Try not to make it too long.

**Row 1:** Ch 2, 1 hdc in same st as ch 2, 1 hdc in each ch across. Turn.

**Row 2 and 3 :** Ch 2, 1 hdc in same st, 1 hdc in each st across. Turn.

**Row 4 :** Sl st in 6 stitches, now start sl stitching both the sides together to turn it into a rod as shown in the picture, fasten off leaving a long tail when 6 stitches left.

Using the tails on both the ends of the handle sew it into the inside of the basket right behind the bunny ears. Sew the bunny ears with matching thread onto the handle only at one point, taking care the thread doesn't show on the back of the handle. This will help the ears stay up.

## Flower

1. Ch 4 and sl stitch into 1st chain to form a ring

2. Flower Center  
3. One petal worked across 2 stitches

4. After completing 5 petals sl stitch to the base of the 1st petal

5. Long tails left on the flower used to tie behind the handle and bunny ears in a bow

### Flower Pattern

Leaving a long tail Ch 4 using pink yarn and sl st to 1<sup>st</sup> chain to form a ring.

**Round 1 :** Work 5 sc into the chain ring and sl st to the 1<sup>st</sup> sc----- 5 sc

**Round 2:** Ch 2, 2 hdc in each stitch around, sl st to 1<sup>st</sup> hdc , fasten off leaving a long tail.----- 10 hdc

Use white yarn now and sl st into the stitch you just fasten off, leave a long tail.

**Round 3 :** \* ( Sl st to next st , ch 2, 1 dc and 1 tr in next st, 1 tr ,1 dc, ch 2 and sl st in next st,) – a petal made. Repeat 5 times from \*----- 5 petals

Sl stitch to base of 1<sup>st</sup> petal. Fasten off leaving a long tail.

**Note:** Each petal is worked across 2 stitches. You work a sl st, ch 2, 1 dc, 1 tr all into 1 stitch to form the half of a petal and then work a tr, 1dc, ch 2 and sl st all into the next st to work the other half of a petal .

## **Finishing the Flower**

1. Now you have 4 long tails , 2 of each color. Use it to tie the flower onto the left bunny ear and the handle. You can tie in a bow behind the handle using the tails.
2. You can also opt to weave in the tails and sew the flower on.

## A Large Bunny Peep

By: Alicia Kachmar of Create!

This bunny peep is a great Easter pattern to crochet. You can use it as a decoration in your home or you can fill Easter baskets with them. Worsted weight yarn is used.

### Materials:

- K/10 ½-6.50mm hook
- Any worsted weight yarn in bunny color and brown (I use Red Heart 100% acrylic)
- Needlepoint needle
- Polyester fiber filling

### Abbreviations:

Ch: chain

Sc: single crochet

Sl: slip

Hdc: half double crochet

Dc: double crochet

Tr: treble crochet

Dec: decrease, pull up a loop in next 2 sc, yarn over (YO) and draw all 3 loops on the hook

### Instructions:

Make an adjustable ring (or ch 2 and use the 2nd ch loop from hook); 10 sc into the ring (or loop); pull the tail of ring to tighten and join.

Ch 1; 2sc into that stitch and each sc; join (20 sc)

Ch 1; 2sc into that stitch, sc in next stitch (2sc, sc around); join (30 sc)

Ch 1; 2sc into that stitch, sc in next, sc in next (2sc, sc, sc around); join (40 sc)

Ch 1; 2sc into that stitch, sc in next, sc in next, sc in next (2sc, sc, sc, sc around); join (50 sc)

This forms the bottom circle of the body. The top half is worked by moving across and turning at the end of each row. The circle will feel like it's turning in (hard to flatten), but this won't matter.

Ch 1; sc into first space; 12 more sc across; sl stitch into the last one

Ch 1 turn; Dec, sc across until two sc from last row are left, Dec.

Ch 1 turn; repeat the row directly above.

Ch 1 turn; repeat the row directly above.

Ch 1 turn; sc all the way across.  
Ch 1 turn; 2sc into first sc, sc across until 1 sc from last row is left, 2 sc.  
Ch 1 turn; Dec, sc, sc, Dec, sc, sc, Dec.  
Ch 1 turn; sc across.

Make sure the right side is facing you now. If you missed a row at any point, but you don't want to go back, an easy "fix" is to either sl stitch across or just turn the work. Neither one will really affect the finished look.

Ch 8 (ear); 2 hdc in 2nd ch from hook, dc, tr to the end of chains; skip a sc on the body (head) and sl stitch into next one.  
Ch 8; 2hdc in 2nd ch from hook, dc, tr to end of chains, sl stitch into the last sc on the body; finish off.

This is the "front" of the bunny. With a brown yarn and needlepoint needle, make two eyes and a nose. I came up with the needle and made a circle with the yarn as if I were making a "lazy daisy" and went down into the same hole. Stitch around the circle a few times to tack it in place and then fill in the center as best you can. You could also use beads to make more uniform eyes and nose.

If the ears seem loosely connected to the body, take a needlepoint needle and the same yarn you used, and make a few stitches between

the last tr and the top of the body. For the hole in the middle of the large circle, I took thread again and sewed a vertical, horizontal, and two diagonal stitches to cover it up.

Repeat the above instructions to make the "back" of the bunny, but do not finish off. Sc around the entire body, including the ears. If there are inner and outer loops, sc using the inner loops to give the bunny depth. Stuff the bunny when it is 2/3 finished. Stuff the ears when you are almost done with the sc around them. Be sure not to overstuff the ears, as the stuffing will show through. Finish off.
